

Whether you need just one bag of aggregate, or several articulated lorry loads, J O'Doherty can supply.

To meet our commitment to minimise the amount of waste sent to landfill, we encourage our customers to consider our recycled aggregate, direct from our state of the art recycling centre.

### WRAP PROTOCOL (Waste & Resources Action Programme)

In order to guarantee and sustain the highest quality of recycled aggregates we at J O'Doherty Haulage Ltd apply various quality management systems to ensure same.

As well as being ISO9001 and ISO14001 accredited our recycling process is operated under the guidelines of WRAP protocol.

Our in house WRAP Quality Portfolio is readily available for customers in order to understand the process of selection and the quality of all raw materials used.

Regular certification of all aggregates carried out to Highways Specification.
